WE WANT TO SEE YOU SUCCEED.

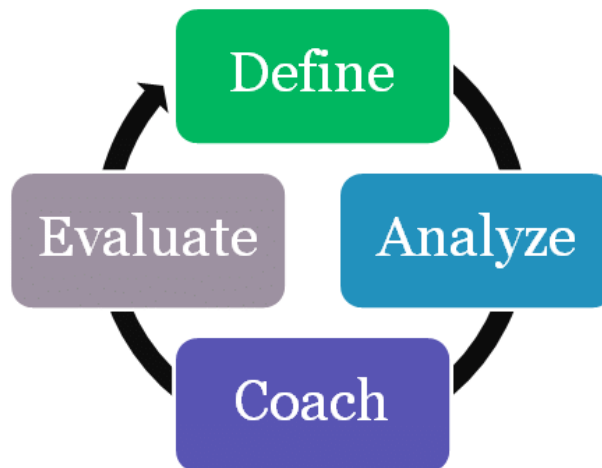

WHAT IS MO TIERED SUPPORTS?

A state sponsored consultation process focused on helping organizations develop systems to support positive practices for improved services

WHAT DO WE DO?

From a systems level
(not individual case focused):

- Define the problem
- Analyze why it's occurring
- Coach teams on what to do
- Evaluate if what we are doing is working

WHAT WE KNOW

40%

of people receiving residential services are at risk of or are experiencing behavioral crisis.

85%

of residential providers need extra support to predict, prevent, and reduce behavioral crisis.

90%

of participating organizations say MO Tiered Supports has helped make things better.
